

Artwork Guidelines

Computer files –

We prefer artwork to be in vector form saved as an eps or ai (adobe illustrator) file. However, we can accept artwork in pdf, tiff, and jpg form as long as it has a resolution of 300 dpi.

The label format can be supplied on disk, CD or sent as an attachment to artwork@adherelabel.com e-mail. Be sure to “zip” all files, fonts and linked graphics into a single file. A printed color sample of the file being sent is requested. This copy can be mailed to:

If any additional artwork needs to be done, additional charges will apply.
